#### **Independent Auditor's Report**

We have audited the Russell County Sheriff's Settlement - 2010 Taxes for the period April 16, 2010 through April 15, 2011. This tax settlement is the responsibility of the Russell County Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in <u>Government Auditing Standards</u> issued by the Comptroller General of the United States, and the <u>Audit Guide for Sheriff's Tax Settlements</u> issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Sheriff's office prepares the financial statement in accordance with the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the Russell County Sheriff's taxes charged, credited, and paid for the period April 16, 2010 through April 15, 2011, in conformity with the modified cash basis of accounting.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated July 20, 2011 on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be considered in assessing the results of our audit.

To the People of Kentucky
Honorable Steven L. Beshear, Governor
Lori H. Flanery, Secretary
Finance and Administration Cabinet
Honorable Gary Robertson, Russell County Judge/Executive
Honorable Larry Bennett, Russell County Sheriff
Members of the Russell County Fiscal Court

Based on the results of our audit, we present the accompanying comment and recommendation, included herein, which discusses the following report comment:

2010-01 The Sheriff's Office Lacks Adequate Segregation Of Duties

Respectfully submitted,

Crit Luallen

### RUSSELL COUNTY NOTES TO FINANCIAL STATEMENT

April 15, 2011

#### Note 1. Summary of Significant Accounting Policies

#### A. Fund Accounting

The Sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

#### B. Basis of Accounting

The financial statement has been prepared on a modified cash basis of accounting. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

#### C. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

#### Note 2. Deposits

The Russell County Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC) as required by KRS 66.480(1)(d). According to KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution.

RUSSELL COUNTY NOTES TO FINANCIAL STATEMENT April 15, 2011 (Continued)

Note 2. Deposits (Continued)

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the Sheriff's deposits may not be returned. The Russell County Sheriff does not have a deposit policy for custodial credit risk but rather follows the requirements of KRS 41.240(4). As of April 15, 2011, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

Note 3. Tax Collection Period

#### A. Property Taxes

The real and personal property tax assessments were levied as of January 1, 2010. Property taxes were billed to finance governmental services for the year ended June 30, 2011. Liens are effective when the tax bills become delinquent. The collection period for these assessments was November 19, 2010 through April 15, 2011.

#### B. Oil Property Taxes

The oil property tax assessments were levied as of January 1, 2010. Property taxes were billed to finance governmental services for the year ended June 30, 2011. Liens are effective when the tax bills become delinquent. The collection period for these assessments was November 8, 2010 through April 15, 2011.

Note 4. Interest Income

The Russell County Sheriff earned \$2,027 as interest income on 2010 taxes. The Sheriff distributed the appropriate amount to the school district as required by statute, and the remainder was used to operate the Sheriff's office.

Note 5. Sheriff's 10% Add-On Fee

The Russell County Sheriff collected \$41,398 of 10% add-on fees allowed by KRS 134.119(7). This amount was used to operate the Sheriff's office. As of July 20, 2011, the Sheriff owed \$1,098 in 10% add-on fees to his fee account.

Note 6. Unrefundable Duplicate Payments And Unexplained Receipts

The Sheriff had unrefundable duplicate payments and unexplained receipts totaling \$2,849 in the 2010 tax account which have not been claimed. These funds should be deposited in an escrow account for the purpose of any future claims. KRS 393.090 states that after three years, if the funds have not been claimed, they are presumed abandoned, and abandoned funds are required to be sent to the Kentucky State Treasurer by KRS 393.110.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

## CRIT LUALLEN AUDITOR OF PUBLIC ACCOUNTS

The Honorable Gary Robertson, Russell County Judge/Executive Honorable Larry Bennett, Russell County Sheriff Members of the Russell County Fiscal Court

> Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards

We have audited the Russell County Sheriff's Settlement - 2010 Taxes for the period April 16, 2010 through April 15, 2011, and have issued our report thereon dated July 20, 2011. The Sheriff prepares his financial statement in accordance with a basis of accounting other than generally accepted accounting principles. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in <u>Government Auditing Standards</u> issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Russell County Sheriff's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying comment and recommendation, we identified a certain deficiency in internal control over financial reporting that we consider to be a material weakness.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying comment and recommendation as item 2010-01 to be a material weakness.

Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards (Continued)

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Russell County Sheriff's Settlement -2010 Taxes for the period April 16, 2010 through April 15, 2011, is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under <u>Government Auditing Standards</u>.

This report is intended solely for the information and use of management, the Russell County Fiscal Court, and the Department for Local Government and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

Crit Luallen

#### RUSSELL COUNTY LARRY BENNETT, SHERIFF COMMENT AND RECOMMENDATION

For The Period April 16, 2010 Through April 15, 2011

#### INTERNAL CONTROL - MATERIAL WEAKNESS:

#### 2010-01 The Sheriff's Office Lacks Adequate Segregation Of Duties

During our review of internal controls, we noted the Sheriff's office lacks of segregation of duties over receipts and disbursements. The Sheriff's bookkeeper collects payments from customers and prepares the daily tax collection journals, the monthly tax reports, and the deposits. The bookkeeper also takes the deposits to the bank, prepares checks for payment to districts, and signs the checks. No oversight was performed over any of these functions.

Segregation of duties over collecting taxes, preparing daily deposits, preparing monthly reports, and preparing disbursements is essential for providing protection from asset misappropriation and/or inaccurate financial reporting. Additionally, proper segregation of duties protects employees in the normal course of performing their daily responsibilities.

The Sheriff should separate the duties of collecting taxes, preparing daily deposits, preparing and mailing disbursements, and preparing financial reports. If these duties cannot be segregated due to limited staff or limited budget, then strong oversight should be provided to the employee responsible for these duties. These compensating controls should be documented.

Sheriff's Response: None.
